ANNE ARUNDEL COUNTY'S FASTEST GROWING FESTIVAL.

Surrounded by some of the most beautiful Chesapeake Bay shoreline and centrally located in Maryland, Anne Arundel County is in many ways the heart of our wonderful state. What better way to celebrate a gorgeous day by the Chesapeake Bay than with dozens of master artisans, crafters, food trucks, area attractions and more? Now in its second year, the Made In Maryland event offers a high-end, all-encompassing festival that features a variety of vendors, musicians and attractions.

Through this event, Kurtz's Beach is proud to support the education and restoration programs of the Chesapeake Bay Trust.

ABOUT CHESAPEAKE BAY TRUST: The Chesapeake Bay Trust is a 501c(3) nonprofit grant-making organization dedicated to improving the watersheds of the Chesapeake Bay, Maryland Coastal Bays, and Youghiogheny River. Created in 1985 by the Maryland General Assembly, our goal is to increase stewardship through grant programs, special initiatives, and partnerships that support K-12 environmental education, on-the ground watershed restoration, community engagement, and the underlying science of these three realms. Through our grants to schools, local governments, community groups, faith-based groups, watershed organizations, and other not-for-profit entities, the Trust engages hundreds of thousands of students and volunteers in projects that have a measurable impact on the natural resources of our region.
